Docket Text:

ORDER (by docket text only). The Court has received a number of letters and comments from investors and other interested parties regarding these proceedings and the Receiver's actions. Several of the letters have requested anonymity for the filer or for the letter to be restricted from public access. Persons seeking to file documents with the Court are **CAUTIONED** that all Court documents are public by default. Any party seeking leave to file a document non-publicly must seek permission **PRIOR** to submitting the document. Any document filed without this prior permission may be docketed publicly by the Clerk. A motion to seal or restrict a document must explain why the filing should not be subject to the default rule that all court documents are public. If a party seeking anonymity or confidentiality has already filed a document without obtaining Court permission, they must file a motion to seal or restrict the document that (1) identifies the document already filed with specificity and (2) explains why they are entitled to the relief they seek. The Receiver is **DIRECTED** to prominently display this Order on the Receivership website, and to file a certificate of compliance within 7 days of the date of entry of this Order. Entered by Judge Victoria M. Calvert on 9/23/25. (vs)
